- 1. In early 1953, the Friedrich Loeffler Institute on Riems Island started construction of buildings, laboratories and stables on the Creifswalder Cie, an island near Riems. Construction of these installations was completed in the late fall of 1953.
- 2. Shortly before Christmas 1953, animals accompanied by attendants were moved to creifswalder Oie. Pesearch of an unspecified nature was supposed to start in January 1954 as part of the Riems institute research program.
